PRINT QUESTIONNAIRE //

Artwork Specifications & Details

Client Name: Your answers to the following questions below will influence the overall look and tone of the project. By completing this form, you will find out what image you want to project and the type of reader you want to attract.

Transaction ID: Are there specific corporate fonts to be used?

Date: Are there Pantone colors needed for the project?

Does the project require page numbering?

Are diagrams and charts to be included in the artwork?

Do you require bleeds/cropmarks? *

If the artwork is placed to edge of the page, your project will be designed on larger paper with cropmarks and bleeds for trimming.

Yes

No
